

January 2018 Nursery Newsletter

Dear Parents and Carers

Happy New Year!

We hope you have all enjoyed your Christmas break. Thank you for all our lovely cards and gifts. It was very kind of you.

We would like to welcome all our new Parents and Children who will be starting with us this year. We are looking forward to getting to know you all.

Last month

The children had a wonderful time celebrating Christmas. It was lovely to see so many parents and families who come to join us for the pre-school Christmas concert.

The children had a visit from Santa, sang Christmas carols at Carlton Dean Residential Home and donated two food hampers to the residence. Thank you to all our parents and carers who came to watch the program and took part in our food bank scheme.

Nursery Fees Increase

We have kept our fees as low as possible. Due to the yearly inflation and the day to day cost of running the nursery, we now find we are in a position where we need to increase fees to maintain our standard of care to our children.

A letter will be send out to parents and carers in March confirming these changes and the new nursery fees which will take effect from 1st April 2018.

We aim to be competitive and to continue to provide good childcare at the lowest cost we can afford and hope you will continue to support us.
