

Bright Star Day Nursery

June Newsletter

2018

Welcome to the month of June. We have had a very busy few months settling in lots of new children. I would like to welcome all our new parents and children to Bright Star Day Nursery. The relationships between the children and staff are wonderful to watch and the bonds between them are secure. The children have settled well into nursery life.

Rising Stars News

Welcome to all the new parents and children in "Rising Stars". We the staff will ensure to provide a warm safe and welcoming environment for both parents/carers and your little ones. The children have all settled well into their setting.

THANK YOU! to all the parents who attended parents evening. It was a great opportunity and pleasure meeting all of you. We look forward to the next one which provides us with a formal opportunity to discuss what your child is doing at the nursery and how they are getting on.

We are planning a small trip for our little ones i.e.: Park or Farm (all within the local area) so watch this space!

Thanks, from the staff team – Sharon (supervisor 3rd in charge) Nila, Charlotte, Tahmina and Erin.

Super Stars News

We also would like to welcome all new parent/carers to our room. The children have settled very well and enjoying the new environment around them.

We will be arranging a trip to Queens Park on the 3rd July 2018. This is to support our children's learning about mini beast and small animals. Children will be encouraged to dig and explore the environment to find these insects and also talk about what they can see around them. **Please can Parents and Carers note that volunteers are needed for this trip to go ahead!**

Over the next few months we will be learning about people who help us. If any of our parents are in the police force, a firefighter or works for the NHS and wouldn't mind coming into the nursery to talk to our children please let Amina (Room leader) or the office know.

Shining Stars

This term we sadly prepare to say goodbye to our leavers. We will have our Graduation Ceremony/leaving party on 9th July 2018 at 10:30am.

We are in the process of planning a trip to the National Science Museum on Monday 25th June 2018. We hope parents will join us in make this a fun and Memorial Day for our children.

Parent's Reminders

Parents are reminded to ensure that they label their children clothing, bags and shoes. Please check all personal clothing before removing them from the nursery. If cloth items (not belonging to your child) have been taken home by mistake, please return them to the nursery office as soon as possible.

In-line with our health and safety policy children are not permitted to come into the nursery with chewing gum.

Summer is here, even though the weather says otherwise. We encourage our parents/carers to please provide sunscreen, hats and jackets (label with your child's name) for our ever-changing weather.

One months' notice is required if you wish to change your child's schedule. Parents are welcome to book extra day sessions (this will be charge at the daily rate). We are unable to swap sessions.

Inset Day and other nursery activities are advertised in advance on our website in our quarterly newsletter, facebook page and on our website @ www.brightstardaynursery.co.uk .

Paper copies of our newsletters will be available in the reception area. If you have not provided us with an email address please do so now, as this will ensure you don't miss out on important updates.

The safety of each child in our care is important to us therefore we ask that all parents/carers to please ensure that the nursery gate closes behind you when entering and leaving the nursery. It is vitally important that this gate remains closed at all times.

Late collection of children will be charged at the rate of £10 per 15 minutes or part thereof. The Nursery closes at 7pm promptly. Parents please make every attempt to collect your child on time.

Bright Star Day Nursery will no longer be offering Breakfast, Afterschool or Holiday Clubs until further notice.

SUMMER GARDEN PARTY

On Monday 9th July 2018 from 11am – 2pm.

We are planning a garden party for all our children. We have Ark farm attending with some amazing farm animals including a pony which the children will be able to ride. Part of our garden will be transformed into a mini farm. In addition, there will be a bouncy castle and a children's entertainer for the day. Children who do not attend nursery on a Monday's are welcome to join the fun but must be accompanied by an adult. This will be a great day as we also celebrate our children leaving to enter Reception class with our Graduation Ceremony.

Nursery Renovation Work

The Nursery is currently undergoing renovation in the room adjacent to the reception area. This will not interfere with any other rooms and is expected to be completed by the end of June.

Thank you for your patients while this work is being undertaken.

Dates for your dairy
