

## NEWSLETTER

### HALLOWEEN

We will celebrate Halloween on Friday the 23<sup>rd</sup>, and again on Friday the 30<sup>th</sup> October. The children will take part in Halloween activities like pumpkin carving, arts and crafts, messy play.

Should you wish to, your child can dress up for Halloween (no scary costumes please).

We are celebrating on two different dates so that all the children, including those attending term time only, can take part in this celebration.

### TRAINING DAY: 2/11/2020

**Our nursery will be closed on Monday, the 2<sup>nd</sup> of November, for our training day.**

### COVID-19 updates

Please do not bring your child to nursery if he/she or anyone in your household has COVID-19 symptoms: high temperature, a new continuous cough, a loss or change to your sense of smell or taste.

As we are operating in age groups (each room/age group represent a bubble), if a new COVID-19 case is confirmed, exclusion will only apply to that specific age group which will be considered close contact. **Please be advised that in case of a future exclusion nursery fees will be payable as the nursery will continue to operate.**
