LAST MONTH

Last month in the nursery children have been learning and participating in activities around their feelings, emotions, their body, and their family.

Thank you for sending over your family portraits, we used these to discuss who's in your child's family.

Children in Rising Stars learned familiar words such as mum and dad as some children pointed to the photos.

THIS MONTH TOPIC

Shinning star children will be learning about transport and road safety, you can support your child by,

- Talking with your child about signs and traffic lights, identify and discuss places where it is safe to cross the road.
- Teach your child how to cross roads using the STOP,LOOK , LISTEN and THINK process- Stop at the curb, LOOK and LISTEN for traffic and then decide whether is it safe to cross.

While Superstars continue to focus on their letters of the week, colours, and shapes.

Having established rules will help children to understand the nursery's boundaries and to create a positive space for them to learn and grow and flourish.

Our aim in teaching the golden rules is not to attempt to manage the child's behaviors', nut to provide inspiration and motivation to bring out the best in the child by developing their self-knowledge, self - esteem, and self-regulation so they can accept responsibility for their behaviors'.
