Key person approach:

Your child will have a key person. Key person is the named practitioner who has responsibilities for the small group of children, to help the child to feel safe and secure. You can get daily feedback and share any concerns related to your child.

School readiness — As children will be required to wear a uniform once they are attending a primary school. It is hoped that by getting children into the routine of wearing a uniform, it will help with the school transition and not be such a big change when the time to start school comes

Nursery Children are also welcome to purchase.
