What we have learnt

Shinning Star

This term the preschoolers explored the theme "People who Help Us." They enjoyed reading the book *Supertato*, a fun story about a superhero potato who helps others in need. Through this story, the children learned about the importance of helping others and the different ways people assist in our community. They had a blast discussing how they can be helpers too and participated in fun activities related to the theme!

Superstar

This week, the Nursery Room focused on the letters of the week. The children had fun learning to recognize the letters. Through engaging activities, songs, and games, they practiced identifying the letters, their sounds, and how they appear in words. It was a great week of hands-on learning and building foundational literacy skills!

Letter 'O' for Orange

Rising Star

This Month, the Baby Room explored textures and colors! The little ones had a sensory-rich experience, touching and exploring various materials like soft fabrics, paints, and smooth surfaces. It was a fun, sensory-filled week that supported their early development and curiosity!
